SPONSORSHIP PACKAGE

Night of Excellence

possibility.
potential.
limitless.

The Night of Excellence (NOE) will be hosted *virtually* on Thursday, October 21, 2021 6:00 PM - 7:30 PM (CST) over Zoom. The evening will include an exclusive conversation with Olympic Games bronze medallist Jerome Blake (4x100m relay team, Tokyo 2020), music performance, and powerful stories from youth leaders; demonstrating determination, perseverance, and a hunger for positive change.

All proceeds from this event go towards removing financial, academic and socioeconomic barriers for youth from underserved communities in Manitoba. Through our programming and your support, we aim to develop leaders through a combination of academics and athletics.

Your investment will encourage marginalized youth to fully utilize their gifts and transform their adversity into impactful positive change. Together we can provide the opportunity for them to soar and become beacons of hope.
